

The Dubois Sno-Katers Snowmobile Club was formed November of 1966. It is the second oldest snowmobile club in this state. Because of the hard work and efforts of many past and present members of this club, Dubois has one of the premier snowmobile trail systems in the country. The maintenance and grooming of trails are now in the hands of The State of Wyoming-State Trails Division. We have to work hard to preserve the trails and the freedoms that we have to snowmobile in this area. The following list is some of the ways Dubois Sno-Katers are active:

1. Working hard to save trails and promote snowmobiling.
2. Head up the gathering of Christmas greens for decorating town
3. Crush cans to provide scholarships
4. The following are a few activities we do in addition to working with the Forest Service and State Trails:

November- Gather greens and make to decorate town for Christmas

December- Christmas Meeting/ Horse Creek – Double Cabin Ride

January- Chili Feed on Green Creek to promote snowmobiling / club ride to The Place

February – Steak Fry with Pinedale on trail Strawberry Creek to promote snowmobiling/ Winter Fest- members help with Sled Dog Races

March – Club Night Ride, Wyoming State Snowmobile Assoc. State meeting

We would very much like to have your membership, and your help to fight the well organized, well funded effort to close a large portion of our trail system. We need the support of all that snowmobile, and those who may not but wish they could. **Please come to our monthly meetings and become involved. We need your help and support.**

Please take a minute to complete the attached form and send in your membership
To: Dubois Sno-Katers, P.O. Box 1064, Dubois, WY 82513.

We would love to see you at our monthly meetings. They are the first Tuesday of the month, November through April at the Headwaters Conference Center this year.

Meetings start at 7:00pm. Hope to see you there.

Thank you for your membership and support!
